

Strawberry Salsa

Combine all ingredients in a bowl and season with salt and pepper.

It's strawberry season. Enjoy them while they're fresh!

Juicy sweet and super nutritious, summer strawberries make an ideal snack and add a pop brightness to almost any meal.

Top salads and yogurt, blend them into smoothies or devour them by the handful. Try this chopped strawberry salsa from sweetlifebake.com Serve it over simple baked fish or chicken, and pair with chopped avocado for a perfect summer meal.
